Day 3 (B/L/D)

Furano-Ginga Falls-Ryusei Falls

After Breakfast, start your day to Furano. Furano welcomes you with beautiful wide space of natural wonders. Soak in the plentiful and colorful summer sights. Insoukyo area, the largest hot spring area in Daisetsuzan, you will marvel at the Ginga * Ryusei Falls – locally cherished as “the husband & wife” falls. View the graceful 120-meter high waterfalls that flow like shining silver threads. Enjoy photo taking to your heart's content. At day's end, we will stay at the Sounkyo Hotspring Hotel. Relax yourself in the traditional hot spring or “Onsen” available in the hotel

Accommodation : Sounkyo Hot spring Hotel or similar.

Day 04 (B/L/D)

Otokoyama Sake Factory- Otaru Canal- Kitaichi Galss & Music Box Museum- Sapporo Meiji clock Tower – Odori Park – Underground Shopping Mall – Susukino – Ramen Street

After breakfast, we will tour Otokoyama Sake Factory which has a 330-year history of brewing some of the best sake in Japan. It has won the gold prizes in the various contest. The next stop at Otaru, Canal will take you into the rich past of Hokkaido. The rustic charm of the canal area will capture your heart. Next , we will visit the famous Kitaichi Glass Complex

reputed for its antique lamps and hand blown glassware. Also the tour will take you to Otaru Orgel Doh, a red brick building housing the Otaru Music Box Museum for over a century. Then it's time to pause at the Sapporo Meiji Clock Tower before heading for Odori Park – the symbol of Sapporo city. Centrally located, it is a beautiful place with lots of flowerbeds and serves as the venue for the annual Sapporo Snow Festival. Shopping is next! We go to the Underground Shopping Mall and take in the bright lights of Susukino, the entertainment area of Sapporo. Oh yes! The Ramen Street awaits you as well, Ramen, anyone?

Accommodation : APA Hotel or similar.

Day 5 (B/L/D)

Ainu Folk Village – Noboribetsu Spa Valley- Mt Showa Shinsan – Bear Ranch – Lake Toya

After breakfast, we head for the traditional Ainu Folk Village – for culture, handicrafts and souvenirs to take home. Noboribetsu Spa Valley holds scenic beauty as well as open areas to view sulphurous fumes spewing out of crevices. Nearby, the area around Mt Show Shinsan is an exciting place to take in more great sights. Before going up the ropeway to the summit for a panoramic view of the surrounding areas, there are some nice shops and a small museum showcasing the history of this volcanic area of Showa Shinsan. Feed the bears at the Bear Ranch- the bears will be waving for your attention. Next, Lake Toya beckons with her splendors – her calm and scenic lake area. You will marvel at a group of small islands, Nakano-shima, “Floating” in the middle of Lake Toya. Take in all the views and bring home some great photos of the lake.

Accommodation : Sun Palace or similar.
